

What is Aglow International?

Aglow is a dynamic, global Kingdom movement made up of women and men with a single purpose: to see God's will done on earth as it is in Heaven, through prayer, local groups, events and outreaches.

Aglow is one of the networks that God has built and established in the earth to accomplish His purposes in the end times. The real strength of this network is its breadth - displaying His power, dominion and authority in nearly 170 nations. We know how to stand against the shifting, changing times, speak into the atmosphere & align earth with Heaven's purposes.

That is the power of who we are.

Vision & Mission

Our vision statement is both bold and broad. It is a statement that encompasses everything we do and leaves expansion for our future. *Vision is not about direction. It is about the height we wish to achieve.*

Vision Statement

To carry the truth of the Kingdom that:

- Restores people to a radiant place of relationship with God and one another
- Breaks the tyranny of oppression
- Brings freedom and empowerment

Our mission statement is descriptive of what we do and addresses the question of why we exist. *These are the things God has called us to do as an organization.*

Mission Statement

Aglow International is a Kingdom Movement committed to seeing God's will done on earth as it is in Heaven. We do this through:

- Mobilising millions into a company of warriors, champions, and global leaders of significance.
- Establishing powerful Kingdom Communities founded on the fullness of Christ in every nation of the world.
- Empowering people to develop resources that enable them to take advantage of all that God is releasing from Heaven.
- Forming apostolic teams that demonstrate the power of Heaven in the darkest places of earth.
- Cultivating a worldwide presence that creates an atmosphere of celebration, impartation, and restoration.

Men of Issachar

Aglow began in 1967 with four women. Today, Aglow spans the globe, reaching an estimated 17 million people.

Since 1967 Aglow has grown into a global organisation with groups in approximately 170 nations around the world. From 2003 Aglow has been open to men and Men of Issachar is now established and continues to grow in several nations.

In 2005 men in Britain caught the vision of Aglow International, and interest is increasing around the nation! Men are meeting together from different churches and backgrounds to pray together, share together, and to reach out and touch the lives of other men.

Aglow International is built on the foundational pillars of Prayer and Evangelism. The work for Men of Issachar is built on this same foundation.
