

London's Regional Day was wonderful! The teaching was excellent and so right especially for one of our new ladies, Pippa, who is young in the faith - this was her first Regional Day. She had told me on the train to London that she had asked Jesus into her life but was not sure she had done it correctly so I had suggested we pray with her at the end of the afternoon to affirm what she had done. Thank you Nonnie for praying with her, she was so moved and has truly come to faith in Christ. She has so taken on the teaching that the 'Old man is dead and buried'!

Pippa is one of our girls who has been doing the Alpha course at Whitton. Four of our ladies from Aglow have been attending plus three more from Whitton that don't come to our meetings. That changed last Saturday as these three girls came to the Tea Party Membership Extravaganza, loved it and are coming to our next Cafe' Aglow! We can see God moving in their lives.

The links we have with the Baptist Church through Whitton Life is such a great partnership. Ladies are coming into Aglow, then doing Alpha and are attending the church. One of our girls was baptised along with her husband at Easter!

The Tea Party Extravaganza was a fantastic afternoon! We had 23 attend including 5 Whitton ladies. The 3 girls from Alpha were the first to arrive and loved the afternoon. We can really see their lives changing.

To have 3 new ladies from the Whitton area attend and 5 new members was all we could have asked for and we all went home on a high! To God be the Glory great things He has done!
